We solicit your cooperation in helping to make the 2009 County Fair the BEST FAIR ever held in Creek County.

When preparing exhibits, read carefully the rules governing each department in which you expect to enter. This will avoid misunderstandings at the last moment.

A properly conducted fair should and does result in quality production. Not one factor does more to stimulate efforts on the improvement in farm and ranch conditions than the agricultural fair. It is there that the farmer has an opportunity to see and observe the progress being made in the improvements of farm crops and animals and to compare his work with the efforts of others. His success in competing with his neighbors stimulates him to greater efforts and his failures teach him wherein his work is at fault.

It is the purpose of the fair association to make these fairs educational institutions and to encourage cooperation among farmers and men.

The management of the Creek County Free Fair is in the hands of the Creek County Fair Board, which is composed of three members elected from each Creek County Commissioners District annually for three-year terms.

The active management of the fair is in the hands of the executive board, consisting of president, vice-president, secretary, treasurer and five members of the board.

This is your fair and is intended to be of educational value to all who attend. No admission charges will be made where exhibits are present.

Bring the best you have in the way of livestock, farm crops, vegetables, fruit, canned goods, textiles, poultry, etc.

Plan your exhibits early. Read this catalogue. Select exhibits that have merit in their classes. Here is where you compete with your neighbor in your ability to select the best as well as in the production of the article itself.

If you win any contest, your neighbor who exhibits in the same class, can see where he has failed or profited thereby.

Come and bring your family. Do not forget the boys and girls, for they are the farmers and farmers' wives of the future. Help to make this fair a great success!

Sincerely,
Josh Enlow, President

Creek County Fair Association

Section 1. A quorum of the executive board shall consist of five members.

Section 2. The officers of said association shall consist of President, Vice-President, Secretary-Treasurer and five Board Members. The Secretary-Treasurer can be filled by one person and may be elected by the Board members or outside their membership.

The President, Vice President and three members shall be the Executive Committee.

Duties of the President

Section 3. It shall be the duty of the President to preside at all meetings of the Board, and to countersign vouchers on the Treasurer of the Fair Association.

Duties of the Vice-President

Section 4. It shall be the duty of the Vice-President to execute the duties of the President at any time action is necessary during the absence of the said President.

Duties of the Secretary

Section 5. It shall be the duty of the Secretary to perform the clerical work of the association, keep a record of all meetings, superintend the preparation and publication of premium lists, circulars and advertisements, and have charge of entry and committee books and to issue vouchers on the Fair Treasurer to be countersigned by the President, and make such other reports as required of the executive board.

Duties of the Treasurer

Section 6. He shall receive money due the association and pay out the same on approval of the executive board, keep an account of the same and shall be the duty of the Treasurer as soon as practical after the close of each annual fair to make a statement showing all money received, its source, and all money paid out and for what purpose, and make sure such other reports as the executive board may require for the proper conduct of the business of the association.

Duties of the Executive Board

Section 7. It shall be the duty of the Executive board to exercise a general supervision over all interests of the association.

They shall specify articles, for which premiums shall be awarded, determine the kind and value of premium fix time for holding annual fairs, specifying location each year and shall appoint all committees and all candidates who may be necessary and are not herein provided for and shall be paid when their claims are approved by the Executive Board.

Section 8. Money due exhibitors shall be paid as soon as practical after the close of the annual fairs and money due

employees of association shall be paid when their claims are approved by the Executive board.

Section 9. General rules and regulations for governing the fair shall be made by the Executive Board of the association at any regular or special meeting thereof.

Section 10. The by-laws of the association may be amended by the Executive Board of the association at any regular or special meeting of said board by a quorum of the members of the said board.

RULE 1 - INTERPRETATIONS

Amendments and Violations

Section 1. The board of directors of the Creek County Fair Association reserves the right to interpret these rules and regulations and arbitrarily settle all questions arising in connection with the free fair that shall be held under the management of the Board.

Section 2. The management reserves the right to amend or add to these rules as they, in their judgment, deem advisable. In event of conflict of general and special rules, the latter will govern.

Section 3. Any person who violates any of the special or general rules will forfeit all privileges, premiums and be subject to such penalty as the board of directors may order.

RULE 2 - ENTRY REQUIREMENTS

Special Rule - If possible, livestock exhibitors should reserve stalls by applying in person, or by letter to the Secretary of the Fair Association, not later than Friday preceding fair week. Stall number will be assigned.

Section 1. All entries to the Creek County Free Fair are free, but no unworthy entry will be received.

Section 2. All property of every exhibitor entered in the fair for any purpose shall be subject to the control of the Secretary or Superintendent in charge.

Section 3. Separate exhibits must be provided for each entry in each class, except livestock. Individual ownership must be established, if more than one entry in any class is made from the same farm or home

Section 4. All regularly enrolled in 4-H and FFA club members will have the privilege of making entries for products or livestock produced by them in all open classes in addition to their entries in the club provided a separate exhibit is made for each entry.

Section 5. Entry forms will be provided for listing all entries and exhibitors who are required to see that their exhibits are properly listed on same.

RULE 3 - EXHIBITOR DUTIES AND PRIVILEGES

Section 1. All exhibits of crops must have been raised by the exhibitor during the current year and all exhibits of livestock must be owned by the exhibitor at the time of exhibiting same. In all cases the exhibitor must be a resident of Creek County, State of Oklahoma.

Section 2. Any member of the fair association shall have access to all premises of any character in the fairgrounds or concessions at any time during the fair.

Section 3. If it be ascertained that any exhibitor has made or caused to be made by false statement in regard to any animal or article or if any exhibitor shall attempt to interfere with the judges in the performance of their duty, shall be excluded from all competition of any fair, and any awards that he may receive may be forfeited at the discretion of the board.

Section 4. The Executive board reserves the final and absolute right to determine all questions regarding the awarding of Premiums. The directors' reserve the right to take note of fraud consummated or attempted in connection

with an exhibit and takes such actions as they can deem just proper.

RULE 4 - POWERS AND LIABILITIES OF ASSOCIATION

Section 1. The management will use every precaution to guard against extortion in any form upon the fairgrounds and any violation of this rule will result in the forfeiture of every privilege, contract of money paid, by expulsion from the grounds.

Section 2. The management reserves the right to remove from the grounds any exhibits, annual concession or show that may have been falsely entered, or may be deemed unsuitable or objectionable by them, without giving any reason.

Section 3. The placing of an exhibit is at the discretion of the judge. The Premium awarded will be according to placing.

SPECIAL RULES

Section 1. Each exhibitor is urged to read the general rules, and as well, the information found under heading of the classification under which it is making entry.

Section 2. A superintendent and necessary assistants will be appointed for each department, whose duty it shall be to receive the exhibits and properly classify and place them. The free fair board reserves the right to replace the amount of the premiums offered without further notice.

Section 3. Creek County Fair Board is not responsible for exhibits left after 6:00 p.m., Sunday, September 27.

**CODY GILL & 80 PROOF
OUTDOOR STAGE
FREE ENTERTAINMENT!!!
Friday night, September 25, 2009**

Cody Gill: 7 p.m. outdoor concert stage

The Cody Gill Band formed in March of 2004, when a high-school junior, two nearly-graduated college students, and a South Texas oil field worker teamed up for a one-night-only jam. In 2007, they released their debut album Boxcars. King of Your Hometown, the bands second album, released in February of 2009. Since its genesis, The Cody Gill Band has grown into a successful musical group with undeniable drive

and relentless love for a wide range of music from other Texas country and southern rock artists like Reckless Kelly and Cross Canadian Ragweed to other genres and artists such as blues legends Government Mule and the folk-rock styling of Bob Dylan and Neil Young. The Cody Gill Band takes the stage with a chemistry and family-like attitude not commonly found in any profession. Long hours on the road and days away from the norm bring out the truest of emotions, only to fuel the already-blazing fire dwelling in the underbelly of this nomadic foursome. For more information please visit <http://www.codygillmusic.com>.

80 Proof: 9 p.m. outdoor concert stage

When 80 Proof hit the Texas Country Music Circuit in 2003, they operated off one standard; Good Music makes Good Fans. This standard holds true today and every day. The 80 Proof Band is made up of very diverse singer/songwriters who all come from different backgrounds in music. They easily blend the popular styles to come up with one distinct and different sound. 80 Proof's shows consist of many original songs, which the band has written and composed, mixed with covers strategically placed to get and keep the attention of the crowd. By mixing high energy, lots of great original songs, and great cover songs, the band has the opportunity to draw a crowd and leave that crowd wanting more. For more information please visit <http://www.80proofband.com>.

Feel free to bring lawn chairs and enjoy the shows!!

**ADMIRAL TWIN, BLACKTOP GYPSY &
THE BRITT LLOYD BAND
FREE OUTDOOR CONCERT
Saturday, September 26, 2009 – 6:00 p.m.**

Admiral Twin: 3 p.m. outdoor concert stage

Formed in 1996, Admiral Twin has released five CDs to date including 2000's critically praised *Mock Heroic* on Mojo/Universal Records, 2003 *Creatures of Bread and Wine*, and their latest release *Center of the Universe* on the Pop Collective Label. Since 1998, the band has performed for well over 500,000 concertgoers across North America. Extensive touring of North America, starting in the late nineties, gained them fans for their distinctive style.

An active fountain of original pop rock music that is constantly fresh is a signature of this group. Each song is catchy in its own unique way, allowing the band to not fall into a pit of repetitious banality that has told the end of many a shooting star. Instead one is left with a curiosity of what is next, whereupon their interest is again rewarded.

The Twin is a trio, but with a much larger sound than its sum thanks to the skillful harmonies of all three members. The instrumental side of the band includes Jarrod Gollihare on drums, Mark Carr on bass and John Russell guitar.

Admiral Twin came to the consciousness of hundreds of thousands of fans in the 90's when they were the North American opening act for the hugely successful Hanson tour. For more information, please visit: <http://www.myspace.com/admiraltwin>

Blacktop Gypsy: 7 p.m. outdoor concert stage

Andie Kay Joyner and Heather Stalling had to experience life before they felt ready to write about it. When they met in the early 1990's, both were already accomplished musician/vocalists. Stalling was an award-winning fiddler as a support player in Branson, MO. Joyner had sung in front of thousands of people at countless performances. After several failed relationships, a handful of song-worthy misfortunes, and countless all-night jam sessions, their songwriting began to draw from very specific situations. Soon, there was more than enough material to complete an album. The album is a montage of styles representing the songwriters' varied influences and phases of musical interest. The traditional country material one might expect of a fiddler and country vocalist is certainly there. Blacktop GYPSY moved from the studio to the stage early 2006, and with the additions of stellar musicians. For more information, please visit <http://www.blacktopgypsy.com>.

The Britt Lloyd Band: 9:30 p.m. outdoor concert stage

Since forming in 2003, The Britt Lloyd Band forms a harmonious tie between country and rock, and attracts droves of faithful fans through both touring and radio. With the release of the debut record "Unlabeled" in early 2006, the singles "Chokin' on Air" and "Day In, Day Out" have made leaps up the Texas Music Charts, rising to within the top

third of the charts. The record was also ranked in the top 100 Texas Music Albums of 2006.

Fans enjoy TBLB's energy-packed shows at many major venues and events around Texas and Oklahoma. New and returning listeners alike are amazed and wowed by the energetic sound that the group offers and they are quick to tell you that this group has just the right chemistry, and edge to entertain. Sharing the stage and working with artists such as Stoney Larue, Wade Bowen, Randy Rogers Band, Kevin Fowler, Bleu Edmonson, Eli Young Band and many more. With sweeping momentum, and enthusiastic backing, The Britt Lloyd Band is quickly gaining the reputation and clout that guarantees them not to disappoint or lose speed any time soon. HOME GARDEN FOOD BASKET DISPLAY

This exhibit is a quality selection of from 6 to 10 different kinds and/or varieties of mature fruits and/or vegetables. Amounts of fruits and vegetables in this exhibit should be such that they can be arranged in a neat and orderly manner and have good eye appeal. There must be enough of each fruit or vegetable for the judge to determine quality.

All fruits and vegetables exhibited must have been grown by the exhibitor.

No specimens in this exhibit may be entered in another class. Any combination of fruits and vegetables may be used. Those not listed in the catalogue may be included.

The exhibit must be in a basket no larger than 18 inches. It may be covered with a clear plastic cover, but judges must be able to handle produce to determine quality.

One-third of the judging will be on how well the exhibit is prepared and presented. Packing such as paper, straw or cloth may be used, but the fruits and vegetables should be the main attraction of the exhibit.

4-H PHOTOGRAPHY

These exhibits consist of photos taken by the individual exhibitors. A photo can be entered only one year. **Individuals can exhibit in only one Unit**, and may enter only one exhibit per class in that unit.

- Unit 1 is for members who have taken pictures for 3 years or less.
- Unit 2 is for those who have taken pictures for 4-6 years.
- Unit 3 is for those who have taken pictures for more than 6 years.
- All ages within each unit are as of January 1 of the current calendar year.

DIGITAL PHOTOS may be entered. Manipulated or altered photos are not allowed in the 4-H Photography section, but may be entered in the 4-H Science and Technology section as photographic illustrations. Changes that can be made and still be entered in the photography section are color and contrast adjustments, cropping, gray scaling, exposure adjustments, and red eye reduction.

PRINTS: Black and white or color prints may be exhibited. Prints must be no smaller than 3.5" x 5" and no larger than 5" x 7" (except when panoramic prints are used) for all classes, except classes 17, 22, 26, 30 and 31-34 where prints may be up to 8" x 10". **Prints should be printed on photo quality paper (not copy paper). Print quality is taken into consideration by the Judges. Photos will be disqualified if in a frame.**

CAPTIONS: Each print must have an individual caption. For classes 23-33, must include on back of board, film speed, shutter speed, and aperture setting if the photo was taken with a camera allowing shutter speed or aperture setting to be changed.

BOARDS: Prints must be securely attached to the surface of a white or a colored foam core, poster or mat board. No double matting, use of multiple layers or more than one color. The entire print must be seen and cannot be masked in any way. Boards must be 10" x 10" or 14" x 14" for all classes, except classes 27-29 and 31-33 where boards must be 14" x 14". If panoramic or 8"x10" photos are used, adjust board size accordingly.

TITLE AND INFORMATION: Each board must have a title. The back of each board must contain the exhibitor's name, county, and number of years in the 4-H photography project, along with the type of camera used, (instamatic, 35mm, digital, etc.), whether the camera is adjustable or not and film speed or megapixels.

SHOOTING SPORTS

No live ammunition, actual firearms, or parts of firearm that could be reassembled should be included. Any manufactured part of a sporting arm may not be displayed. For exhibits other than posters, attach a 3x5 inch not card describing the exhibit, what was done to create or prepare this exhibit and how the exhibit relates to the Shooting Sports Project. The 4-H member's name, age, and full address must be included (attached to) with the exhibit. Exhibits deemed to be inappropriate will not be displayed. Exhibits suggested but not limited to posters, educational displays, journals, slings, quivers, gun stocks, decoys, and equipment. All exhibits will be judged on the basis of instructions and standards explained in the **Oklahoma "4-H Shooting Sports Exhibit Preparation Guidelines Leaders/Members Guide" #690 (1/2007)** which is available through the County Extension Office and on the Oklahoma State 4-H Website in "Literature on-line". Posters must be 14"x22". For display purposes, exhibitors are encouraged to laminate all posters or cover them with clear plastic film. Posters must be permanently signed and dated on the back. If not marked the judging committee may mark or punch. Posters may be horizontal or vertical. Text of posters should be readable from at least 10 ft. away. Educational display must be three dimensional should be mounted on a freestanding display board not to exceed 36" x 36" (width x depth) when the sides are extended for display. Commercially available "Science Fair Presentation Boards" are recommended. **If you use text, pictures, drawings, artwork or other information not created by you in your exhibit you must cite the source.**

4-H ENTOMOLOGY
4-H INSECT EXHIBIT

The exhibits in entomology are planned to be progressively more difficult. The specific age of exhibitor does not appear in the entomology section for this reason. Refer to 4-H entomology member guides 1-6 for more detail regarding fair exhibits. A 4-H member may enter only one insect exhibit in Entomology (first year through fifth year). Exhibits in the first through the fifth year are allowed a maximum of five (5) foreign and/or out-of-state collected insects (no restrictions on self-determined exhibit). All insects must be mounted on standard insect pins. Exhibits in Classes 315-318 must be in standard insect display boxes. Specifications for the standard insect box are available at the OSU County Extension Office. At least one-third of the specimens in any collection must have been collected during the current project year.

Class

315. **First Year** - The exhibit shall consist of 25 adult insects which are displayed in a box approximately 2.5" x 5.5" x 8.5". Cover with plastic wrap or rigid plastic. Nine and ten year old exhibitors entering Class 315 may be allowed to enter Class 315 a second year, if the exhibit did not place in the top five at the State Fair the previous year, as long as modifications are made to the exhibit..... \$5 \$4 \$2 R R
316. **Second Year** - The second year exhibit shall consist of 40 adult insects which are displayed in the standard insect display box..... \$5 \$4 \$2 R R
317. **Third Year** - The third year exhibit shall consist of 75 adult insects which are displayed in the standard insect display box..... \$5 \$4 \$2 R R
318. **Fourth Year** - The fourth year exhibit shall consist of 100 adult insects which are displayed in the standard insect display box..... \$5 \$4 \$2 R R
319. **Fifth Year and Beyond** - The exhibit shall consist of 130 adult insects, which are displayed in the standard insect display box. There is no limit on the number of years this class may be entered, if exhibit has additions or major modifications \$5 \$4 \$2 R R
320. **Self-Determined Entomology Exhibit**
Designed to allow exhibitors to prepare displays indicating expanded interest beyond the requirements of collections exhibited in previous years. Exhibits should be of an educational nature, attractive in design and easy to understand. A written report explaining the nature or purpose of the project must accompany the exhibit. Participants in this class are also allowed to have an entry in one of the first through fifth year classes. There is no limit on the number of years that one can enter the advanced classes. Exhibitors can continue to exhibit in the self-determined class as long as new exhibits are entered or if major revisions are made on a previous exhibit. \$5 \$4 \$2 R R

4-H HONEY EXHIBIT

Only one exhibit allowed in each class per individual. Honey should be placed in colorless one-pint honey jars or standard, colorless one-pint fruit jars, such as those made by Kerr, Ball, Mason, etc. Other types of jars will be rejected. Jar covers should be new, if possible, and screwed on tightly to prevent leakage. There should be 1/4" to 1/2" of air space below the lid. Honey should be clear and free from foreign particles. Chunk honey should be perfectly capped, free from stains, bee-bread, and finger prints. Edges should be

clean-cut, not ragged. One piece only in each jar, as wide as jar mouth will permit and long enough to extend from bottom to the top without jamming. Labels should be neat and plainly written or printed.

Class

- 321. Comb Honey, one pint jar\$5 \$4 \$2 R R
- 322. Extracted Honey, one pint jar.\$5 \$4 \$2 R R

4-H FORESTRY EXHIBIT

A member may enter one exhibit per class but is restricted to only those exhibits designed for his or her age group. **FORESTRY BOARDS AND EXHIBITS MUST BE SIGNED AND DATED ON THE BACK**

TREE LEAF EXHIBITS

PLEASE NOTE: Exhibits must conform to all requirements, including labeling & display requirements; outlined in 4-H fact sheet #236 “Collecting and Exhibiting Tree Leaves” (revised 9/2007).

Class

- 323. **Ages 9 - 11. Collection of 10 leaves from trees native to Oklahoma (no introduced species).** One specimen must be from a native evergreen – pine or juniper. Include a twig & buds with each broadleaf specimen. Exhibit must be properly labeled and displayed on board 22” wide and 28” tall.....\$5 \$4 \$2 R R
- 324. **Ages 12 - 15. Collection of 15 leaf specimens, representing at least three of the five basic leaf types, from trees native to Oklahoma** (no introduced species). Two specimens must be from native awl or scale-leaf evergreen – pine or juniper. Non-native species are acceptable only if they have been introduced for planting windbreaks and shelterbelts. Include a twig with buds with each broadleaf specimen. Exhibit must be properly labeled and displayed on board 28” tall and 44” wide. Two 28” x 22” boards hinged in the middle are more portable\$5 \$4 \$2 R R
- 325. **Ages 16 and over. Collection of 20 leaf specimens, representing four of the five basic leaf types, from trees native to Oklahoma.** Three specimens must be from needle, scale, or awl-leaf evergreens. Species of pine not native to Oklahoma are acceptable if they have been introduced for planting windbreaks and shelterbelts. The palmate leaf sample must come from a native Oklahoma species.\$5 \$4 \$2 R R

WOOD SAMPLE EXHIBIT

Wood sample exhibits should conform to instructions outlined by age group in Oklahoma 4-H **Fact Sheet #238 “Wood Sample Exhibits” (revised 2/2007).**

- 326. **Ages 9-11 years.** The exhibit shall consist of six (6) wood samples (3 hardwoods and 3 softwoods) mounted on plywood ¼” thick x 22” wide x 20” high.
.....\$5 \$4 \$2 R R
- 327. **Ages 12-15 years.** The exhibit shall consist of eight (8) wood samples (4 hardwoods and 4 softwoods) mounted on plywood ¼” thick x 22” wide x 20” high.

GEOLOGY

Any eligible 4-H member may participate in collecting, identifying, and preparing a rock mineral-fossil exhibit or preparing an energy and petroleum exhibit. An individual 4-H member can enter one exhibit per class. Rock mineral-fossil exhibitors should securely mount their specimens in a wooden display case with a glass or rigid plastic cover. Display box is to be a standard 18"x 24"x 3½", the same type display case as for Entomology. The first class may display on 18"x 24" plywood or stiff cardboard that has been made suitable for hanging, although a box is recommended. Each sample should be mounted and labeled in a neat, orderly manner. Labels should include common name, date, and location found, and mineral use. At least one-third of the specimens in any collection must have been added during the current project year.

Class

- 331. Fifteen (15) different unpolished rocks, minerals, or fossils collected from Oklahoma.....\$5 \$4 \$2 R R
- 332. Thirty (30) different unpolished rocks, minerals, or fossils, including specimens of sedimentary, igneous and metamorphic\$5 \$4 \$2 R R

4-H WILDLIFE PROJECTS

Only one exhibit will be allowed in each class per individual. Individuals may enter only in their respective age category. All exhibits will be judged on the basis of instructions and standards explained in the "4-H Wildlife Project Exhibit Preparation Guidelines" (#720; revised 12/06) which is available from the County Extension Office or on the Oklahoma 4-H Website under "Literature Online."

Self-Determined Exhibits - To encourage members to develop their own learning projects, a self-determined exhibit class is included in each category. For ideas and guidelines for exhibits, please see 4-H publication #721 "4-H Wildlife Self-Determined Projects" (revised 12/06). Text of posters should be readable at least 10 ft away. Include references for information. At least one reference must be from a source other than the Internet. All 4-H exhibits should be the original work of the 4-H member. When information is taken from books, publications, magazines, or from the internet it should be expressed in the 4-H members own words. The 4-H member must reference the source of the information by using an asterisk (*) or a number (if more than one) and name the actual source at the end or bottom of paper, poster or educational display following an asterisk or corresponding number in text. No copyrighted or trademark protected written or visual material (pictures, photos, drawings, illustrations, etc.) should be used from books, magazines, publications or from the internet with out permission from the original creator. If 4-H'er applies for and is granted permission to use a copyrighted or trademark protected item, a copy of the permission form or letter needs to be attached to the back of the exhibit and properly cited

with an asterisk (*) or number. If an item (picture, photo drawing, illustration, etc.) that is not protected is used its source must be cited and referenced by using an asterisk (*) or number and the source information placed at the end or bottom of paper, poster, or educational display, following an asterisk or corresponding number.

All posters, resource maps, and displays must be permanently signed and dated on the back. If not marked the judging committee may mark or punch. Text of posters and educational displays should be readable from at least 10 ft away.

All exhibits on boards must have hangers. Eye screws and wire preferred. No saw-tooth hangers.

OKLAHOMA WILDLIFE

Exhibits entered in this section should relate to a specific category of game or non-game animals or birds.

Junior (Ages 9-13)

Class

343. (A) A collection of fifteen (15) different kinds of plants, trees, or shrubs known to provide food or cover for wildlife, mounted on food and cover cards or (B) a seed board with fifteen (15) different kinds of seeds eaten by wildlife. (See 4-H Lit. #720 updated 12/06). No more than four (4) varieties may be cultivated crops. All of the specimens must have been collected during the current project year. For each plant or seed included list one (1) wildlife species that use that plant or seed (on the cover card or board). All plant species must be native to Oklahoma except that up to four (4) of the plants (or seeds) may be from cultivated crops.
.....\$5 \$4 \$2 R R
344. Scrapbook of Oklahoma Wildlife (cutouts, pictures or drawings) of at least five (5) mammals, five (5) birds, and five (5) reptiles or amphibians. Give common name and what habitat they can be found in. Common names should be specific (i.e. black rat snake, pygmy rattlesnake, etc.....\$5 \$4 \$2 R R
345. Exhibits of the tracks of eight (8) wild animals or birds commonly found in Oklahoma. POSITIVE plaster casts should be mounted on masonite or plywood, not to exceed 12"x 24". Label each track with kind of animal or bird, which county track was found in, what habitat it was found in, and what date the track was cast. See 4-H Lit. #473 Animal Tracks for more instructions and details\$5 \$4 \$2 R R
346. Self-determined Exhibit. Posters must be 14"x 22". Displays must not exceed 3'x 3' (width x depth). Possible examples include but not limited to: a display dealing with methods of identification of waterfowl, a poster on wildlife, or environmental careers. Senior (Ages 14 – 18)

Class

347. (A) A collection of thirty (30) plants known to furnish food or cover for wildlife, mounted on food and cover cards or (B) a seed board with thirty (30) plant seeds known to furnish food or cover for wildlife. No more than six (6) varieties may be cultivated crops. At least half of the specimens must have been collected during the current project year. For each plant or seed include three (3) wildlife species that use that plant or seed (on the cover card or board). Species names must be used for both plants and wildlife in addition to the

- common name. All species must be native to Oklahoma except that up to six (6) may be from cultivated crops.\$5 \$4 \$2 R R
348. Evaluation of an Oklahoma habitat type that includes a general description of the habitat plant and animal species (species names must be used for plants and wildlife in addition to the common names) that occur within the habitat; a range map showing the habitat's distribution within Oklahoma; and threats to that habitat. Examples of possible habitats include: playa lakes, tallgrass prairie, cross timbers, and shortgrass prairie.\$5 \$4 \$2 R R
349. Self-determined Exhibit. Posters must be 14"x 22". Displays must not exceed 3'x 3' (depth x width). Possible examples include but are not limited to: description of a Wildlife Management Area detailing area, location, habitat, management, and wildlife population trends (if known); or a poster with an emphasis on the life cycle, status, range map, and habitat of an Oklahoman threatened or endangered species. Species names must be used for plants and wildlife in addition to common names. See Lit. #721 "Self Determined 4-H Wildlife and Fisheries Project Ideas" revised 12/06 for additional examples.\$5 \$4 \$2 R R

ENVIRONMENTAL STEWARDSHIP

A 4-H member may enter one exhibit per class, but is restricted to those exhibits designed for his or her age group. Exhibits will be judged based on the criteria outlined in the 4-H project fact sheets available from the County Extension Office or available on OK 4-H Literature On-line under Environmental Science. Text of posters should be readable at least 10 ft. away. Include references for information. At least one reference must be from a source other than the internet. Posters must not be printed directly from the internet – this is plagiarism. Each piece of exhibits containing more than one item must be labeled with exhibitor's name and county. Posters must be signed and dated on the back.

376. Vermi-Composting (with Worms). (Ages 9-13 years) Compost sample and poster that explains how to compost with worms. Report may include one or more of the following areas: bins for vermi-composting, feeding and care, moisture requirements, harvesting compost. Poster must be on 14" x 22" posterboard and must include a photograph of your compost bin. One pint of compost (worm castings) in a sandwich-size zip-lock bag or pint jar with lid must be included.

377. Exploring Streams and Lakes Poster (Ages 9-13) Poster (14" x 22") with photos showing a stream, lake or pond you have visited. Photos should show things like shorelines or creek banks, appearance of the water, condition of vegetation on the shore or banks, and problem areas such as erosion, trash or obvious pollution. For more ideas read Lit. #19 "Water Quality of Streams and Lakes" Related report form is #20. Each photomust have a caption explaining what it shows. Overall, the poster should tell what you think is helping or harming the water or the plants and animals that live ... there. Members entering this project for 2nd or 3rd year should compare changes over time or season. Poster title should include name of water body, if it has one, and town or county where located. . \$5 \$4 \$2 R R
378. Water Critters (Ages 9-13). Display a collection of pond, lake or stream critters (no fish) preserved in one to three baby food jars with rubbing alcohol as described in Lit. #21 "Aquatic Organism". Securely attach a completed Critter ID bookmark (Lit. #29) "Streamand Lake Critter Identification") to the jar using tape and a string around the jar neck. Do not include more than one of each type of critter. Collect only critters found on or in the water, not adult flies. Write a short paragraph telling about the value of water critters – read Lit. #21 or related materials. Optional: Include one single-sided page oflabeled photos or drawings of the site or collecting activity. \$5 \$4 \$2 R R
379. Where Does My Water Come From Poster (Ages 9-

HOME GARDEN FOOD BASKET

This exhibit is a quality selection of from five to nine different kinds and/or varieties of mature fruits and/or vegetables. Amounts of fruits and vegetables in this exhibit should be such that they can be arranged in a neat and orderly manner and have good eye appeal. There must be enough of each fruit and vegetable for the judge to determine quality. All fruits and vegetables exhibited must be grown by the exhibitor. No specimens in this exhibit may be entered in another class. Any combination of fruits and vegetables may be used. Those not listed in the catalog may be included. The exhibit must be in a container such as a basket or box. It may be covered with a clear plastic cover but judges must be able to handle produce to determine quality. One third (1/3) of the judging will be on how well the exhibit is prepared and presented. Packing such as paper, straw or cloth may be used but the fruits and vegetables should be the main attraction of the exhibit.

Exhibit Unit II – Herbarium Card

These exhibits shall consist of dried and pressed specimens of leaves and other specified parts of native or cultivated trees, vines, and/or shrubs. Each leaf specimen should be mounted on a separate 8”x 10” herbarium card available at your county extension centers. Only the information required in your division should be filled out. The cards should be enclosed in a notebook or binder. Each specimen should be covered with a transparent plastic or similar covering to protect it from damage. No leaf should be more than 3 years old and at least one-third of the specimens must have been collected during the current project year. Instructions for collecting and pressing are available in the OSU Extension Center.

425. Ages 9-11 – A collection of 15 specimens with the following information: (1) common name; (2) general class; (3) kind of plant.....\$5 \$4 \$2 R R

426. Ages 12-14 – A collection of 25 specimens with a pressed flower or fruit or seed included with each specimen. Information on the card to be filled out is (1) common name; (2) general class, (3) kind of plant; (4) form; (5) color, (6) exposure.....\$5 \$4 \$2 R R

427. Ages 15 and over – A collection of 30 specimens with a pressed flower, fruit or seed included with each specimen. All information on the card should be filled out.\$5 \$4 \$2 R R

Exhibit Unit III – Group or Club Exhibit

428. This exhibit to consist of landscape or environmental beautification project report on a project such as home grounds, school, community center, church, city or roadside park, highway beautification, clean-up campaign, etc. A group is to consist of 3 or more 4-H members under supervision of 4-H leaders. All projects must employ horticulture material for the purpose of conserving natural beauty of an area or improving the aesthetic quality and/or function of an area. Other material such as concrete walks, benches, etc., may be used in addition to the horticulture material.....\$5 \$4 \$2 R R

Judging Criteria

- A. A brief project description and statement of purpose and objectives.
- B. Creativity demonstrated and quality of the project.
 - 1. Extent to which plan integrates total needs of area, short and long term.
 - 2. Functional use and aesthetic considerations of horticultural materials and techniques.
 - 3. Operational considerations of expenses encountered, resource personnel contracted and maintenance factors.
 - 4. “Before and After” photographic sequence to illustrate effectiveness of the project.
- C. A brief summary of project activities, extent to which objectives were achieved, knowledge gained and the particular significance of the project toward the improvement and beautification of your environment.
- D. Newspaper clippings and other publicity of the project.

OKLAHOMA 4-H CENTENNIAL

All exhibits in the 4-H Centennial division are intended to learn about and document our 4-H heritage through the process of identification and preservation. Think of this project like our own “4-H Antique Road Show.”

Each exhibit will require research, documentation, and reporting to authenticate the item being exhibited. When possible and without deterring from an items value or fragile condition, items should be free of dust, dirt, mold, pests, etc.

4-H Curriculum has been developed to introduce and educate 4-H members and volunteers in the preservation and conservation of artifacts. The criteria/standards used to evaluate the 4-H member exhibit will reflect the child’s mastery of conservation and/or preservation techniques and their ability to document memorabilia/history.

Curriculum currently available includes: Collectibles 4H-HLTH-402; Preserving Books, Paper Documents & Photographs 4H-HLTH-404; Preserving Memorabilia 4H-HLTH-406; History Mysteries Part 1 4-H HLTH 407; Heritage Posters and Displays 4H-PDL-111; and History Mysteries Part 2 4H-HLTH-410.

Materials underdevelopment and available May 1 include Preserving Vintage Clothing and Textile Products; Preserving Metal, Wood and Plastic Collectables; Documenting and Cataloguing Collectables; and Displaying Collections and Collectables. All curriculums can be downloaded on the Oklahoma 4-H webpage under 4-H Centennial.

Poster must be constructed on poster board 14” x 22” (1/2 of a poster board). Positioned horizontal or vertical. Poster may be produced by any medium – watercolor, ink, crayon, acrylic, charcoal, collage, computer, etc. – Posters must be flat. Do not use three-dimensional pieces on posters. Displays must be free standing and are limited to 36” x 36” (width x depth) space, including sides extended. Commercially available “Science Fair Presentation Boards” are encouraged. Display should illustrate and explain the topic in detail.

Antiques & Collectables

Collection - Five “4-H” items representing our history. (Not confined to Oklahoma 4-H items). Each collection will be limited to a display area no larger than 22” x 28” when laying down. Each item must be dated with a year/decade. Documentation must be securely attached and visible to the public without defacing or damaging the item. No loose collections/set will be excepted. **A collection must be SECURELY attached/contained to make one entry.** (This means each item within the collection is enclosed in a frame, notebook, attached to a tray, or firmly attached to a rigid display board (foam core, matt board, corrugated plastic,

etc.) in a manner where items cannot be separate from the collection.

Photography

Looking for the application of skills and knowledge gained in the area of restoration and preservation of historical photographs. Project support: 4H•HLTH•404 Preserving Books, Paper Documents, & Photographs; 4H•HLTH•406 Preserving Memorabilia; 4H•HLTH•408 Documenting and Cataloguing Collectables; 4H•HLTH•409 Displaying Collections and Collectables or other viable references should be reviewed and utilized.

Choose one method for exhibiting Photographs and justify your choice as it relates to preservation:

a. Original photographs scanned/printed from negative, mounted and exhibited using criteria for 4-H Photography exhibits – section 4302.

b. Follow preservation guidelines as noted in 4H•HLTH•404. Securely hinge original photo enclosed in a protective sleeve (so it can be lifted to view back of the photograph) on a piece of poster board as described in section 4302.

c. If the desire is to preserve the historic integrity of the photograph and frame, appropriate conservation methods should be researched, applied, and documented as part of the exhibit.

Authentication Card (4H•HLTH•411) – Card must be legible and securely attached to the front of the exhibit. On the card include a caption with the year the picture was taken, who is in the picture and what is taking place. Pictures should represent 4-H history (decades 1909-1999) – “history being defined as someone other than the exhibitor (current 4-H member). The back of the picture mounting board or frame must be labeled with the exhibitors name and phone number or email.

4-H Alumni Division (Open to Previous 4-H Members beyond Current Membership Age)

All exhibits in the 4-H Centennial Alumni division are intended to document and preserve our 4-H heritage. Think of these exhibits as our own “4-H Antique Road Show.”

When possible and without deterring from an items value or fragile condition, items should be free of dust, dirt, mold, bugs, etc.

When possible, provide appropriate protection for the exhibit using good preservation/restoration practices. See Centennial related 4-H curriculum listed in Oklahoma 4-H Centennial section for more information.

Each county will select a maximum of five alumni exhibits for entry in this division of the State Fair that the respective county displays at. It can be any combination of the categories noted below.

4-H Collections

Five “4-H” items representing our history. (Not confined to Oklahoma 4-H items). Each collection is limited to a display area no larger than 22” x 28” when laying down. No loose collections/sets will be accepted. A collection must be SECURELY attached/contained to make one entry. This means each item within the collections is enclosed and/or attached in a frame, notebook, on a tray or rigid display board (foam core, matt board, corrugated plastic, etc.) in a manner items cannot be separated from the collection. Authentication Card (4H•HLTH•411) – Card must be legible and securely attached to the front of the exhibit. The card along with other related 4-H curriculums can be downloaded on the Oklahoma 4-H Centennial website: celebrateok4h.okstate.edu. Dating – Each item in the collection should be dated with a year/decade. Documentation must be securely attached and visible to the public without permanently defacing or damaging the item. 4-H Publication 4H•HLTH•402 Collections; 4H•HLTH•406 Preserving Memorabilia and 4H•HLTH•409 Displaying Collections and Collectables can provide help.
